

BURRANEER BAY PUBLIC SCHOOL

2018 YEARBOOK

Celebrating 125 Years

\$25 EACH

The Burraneer Bay Yearbook is a fantastic publication that brings together the wonderful activities all of our K-6 students participate in throughout the year. The Yearbook is treasured by the students and is the “most loved” book in our library.

The Yearbook is a book for everyone. Every class, from Kindergarten to Year 6, has a double page spread that has been designed and created by the children. It includes pages about sport, dance, excursions, camps and the special events that the children in each grade have experienced throughout 2018.

The 2018 Yearbook will be available in December, just before the end of term.

The Yearbook can only be PRE-ORDERED.
